Certificate of Analysis

1. Product Information

Product Name:	cAMP TR-FRET KIT, 1,000 points
Catalogue:	A010101
Storage:	-80°C
LOT Number:	ARY01A
Quality Release Date:	26 FEB 2023
Recommended Retest Date:	25 FEB 2024

2. Quality Control

		Specifications
Assay test	Meets specifications	This product has been tested in a typical application based on the cAMP TR-FRET Assay Development Guideline. The product performed as expected.

Date: *Xueyan Shi*

For Research Use Only.
